

Plant Biology of the Next Generation

► Conference of the SFB924

“Molecular mechanisms regulating yield and yield stability in plants.”

► April 12 - 14, 2023

Wissenschaftszentrum Weihenstephan
Technical University of Munich

► Registration (free)/conference office www.sfb924.wzw.tum.de

Speakers and participants

- **Viktoriya Avramova** (Technical University of Munich, Freising, DE)
- **Malcolm Bennett** (University of Nottingham, Nottingham, UK)
- **Mary Beth-Mudget** (Stanford University, Stanford, CA)
- **Steven P. Briggs** (University of California, San Diego, CA)
- **Ana Caño-Delgado** (Centre for Research in Agricultural Genomics, Barcelona, ES)
- **Myriam Charpentier** (John Innes Centre, Norwich, UK)
- **Corinna Dawid** (Technical University of Munich, Freising, DE)
- **Philipp Denninger** (Technical University of Munich, Freising, DE)
- **Thomas Dresselhaus** (University of Regensburg, Regensburg, DE)
- **Erwin Grill** (Technical University of Munich, Freising, DE)
- **Caroline Gutjahr** (Technical University of Munich, Freising and Max-Planck-Institute for Molecular Plant Physiology, Golm, DE)
- **Ulrich Z. Hammes** (Technical University of Munich, Freising, DE)
- **Ralph Hüchelhoven** (Technical University of Munich, Freising, DE)
- **Frank Johannes** (Technical University of Munich, Freising, DE)
- **Tomokazu Kawashima** (University of Kentucky, Lexington, USA)
- **Claudia Köhler** (Max-Planck-Institute for Molecular Plant Physiology, Golm, DE)
- **Bernhard Küster** (Technical University of Munich, Freising, DE)
- **Harvey A. Millar** (The University of Western Australia, Perth, AUS)
- **Giles Oldroyd** (University of Cambridge, Cambridge, UK)
- **Martin Parniske** (Ludwig-Maximilians-University, Martinsried, DE)
- **Jessica Prenni** (Colorado State University, Fort Collins, CO)
- **Stefanie Ranf-Zipproth** (University of Fribourg, Fribourg, CH)
- **Silke Robatzek** (Ludwig-Maximilians-University, Martinsried, DE)
- **Jenny Russinova** (VIB-UGent Center for Plant Systems Biology, Gent, BE)
- **Julia Santiago** (University of Lausanne, Lausanne, CH)
- **Kay Schneitz** (Technical University of Munich, Freising, DE)
- **Chris-Carolin Schön** (Technical University of Munich, Freising, DE)
- **Claus Schwechheimer** (Technical University of Munich, Freising, DE)
- **Nitzan Shabek** (University of California, Davis, CA)
- **Stefanie Sprunck** (University of Regensburg, Regensburg, DE)
- **Remco Stam** (University of Kiel, Kiel, DE)
- **Karina van der Linde** (University of Regensburg, Regensburg, DE)
- **Corina Vlot-Schuster** (University of Bayreuth, Kulmbach, DE)
- **Arne Weiberg** (Ludwig-Maximilians-University, Martinsried, DE)
- **Phil Wigge** (Leibniz Institute of Vegetable and Ornamental Crops, Großbeeren, DE)
- **Usha Zehr** (Maharashtra Hybrid Seeds Company Private Limited (MAHYCO), Jalna, Maharashtra, IND)
